Back issues of the ANZMapS journal, *The Globe*, are available. Please direct enquiries to the business manager or check our Web site.

Back issues of the *New Zealand Map Society Journal* are available from the secretary. Please direct enquiries to the secretary (secretary@anzmaps.org).

Committee

The Australian and New Zealand Map Society (ANZMapS) is incorporated in Victoria under the Victorian *Associations Incorporation Act* 1981. At each Annual Conference an Annual General Meeting is convened and a Committee is elected. It consists of a President, Vice-President, Secretary and Business Manager. The Committee appoints the Editor(s) of *The Globe*. As most business is now conducted via email, geographic location is no barrier to membership of the ANZMapS Committee. We strive to have both Australian and New Zealand membership on the Committee.

Contact Information

2010

Objectives

The Australian and New Zealand Map Society (ANZMapS) is an international group of map producers, users and curators, which acts as a medium of communication for all those interested in maps. ANZMapS was founded through a merger of the Australian Map Circle and the New Zealand Map Society in 2009. We have the following aims:

- To promote communication between producers, users and curators of maps.
- To improve the skills and status of persons working in map collections.
- To promote the development and effective exploitation of map collections in Australia.

Active local branches exist in Victoria and the ACT, and similar branches are being established in other states and in New Zealand. The function of the branch is to act as a focus of activity for local members.

ANZMapS maintains close links with similar bodies in North America and Europe. The ANZMapS is the Australian National Member of the Geography and Map Libraries Section of IFLA.

The ANZMapS Conference is held each year, generally in a different city. All aspects of map use and mapping are discussed and the proceedings of the conference are published as part of the journal of ANZMapS, *The Globe*.

Membership

Membership of ANZMapS is from the 1st of January of each year; those joining during the year will receive any previous publications for that year. Subscriptions fall due on the 1st of January, and must be paid by the 31st of March of that year, after which date unpaid membership will lapse.

Subscribers are entitled to receive the ANZMapS journal *The Globe* in print and the year's series of occasional *Newsletters* via email.

Fees are as follows:

AUD \$50.00 Individual
AUD \$50.00 Institutional
AUD \$30.00 Student
AUD \$30.00 Emeritus *

Membership is open to anyone interested in maps, and can be obtained by returning the tear-off form to the right of this column to the Business Manager.

* **Emeritus** membership is open to persons who have been financial members for at least 10 years and who are not in receipt of full-time salary or wages. Further information is available from the Business Manager.
