

The Globe, Index to Issues 1-50 (Draft, 15 July 2005)

This revised draft is provided for comments and feedback on indexing, format, layout and any other issues apparent to readers. The final version of the index will be published in printed and electronic formats. Feedback is welcome and should be emailed to Gregory Eccleston <eccleston37@bigpond.com>.

- *The Globe* index entries refer to the issue year and number.
- *Proceedings* of the 1973 and 1974 Seminar and Workshop are indicated by the title and year.
- *Meridian* (four issues 1977-78, the Journal of the Victorian Branch of the Australian Map Curators Circle (*sic*)) contents are indicated by title, year and number. Issues 1 and 2, and parts of issues 3 and 4 were unpaginated; no page numbers are given for these issues.

The index comprises a single integrated author / title / subject index. Illustrations are indexed separately at the end of this document.

You can use the FIND function in Acrobat Reader (not the FIND function in your web browser) to search for words within this document.

This index was compiled and recompiled over many years by a number of contributors including Joanna McLachlan, Colleen Downs, John Cain, Dorothy Prescott, Judy Scurfield, Brendan Whyte and Gregory Eccleston.
