Committee

The Australian and New Zealand Map Society (ANZMapS) is incorporated in Victoria under the Victorian *Associations Incorporation Act 1981*.

At each Annual Conference an Annual General Meeting is convened and a Committee is elected. It consists of a President, Vice-President, Secretary, Business Manager, and two other members, in addition to the Editor of *The Globe*.

As most business is now conducted via email, geographic location is no barrier to membership of the ANZMapS Committee. We strive to have both Australian and New Zealand membership on the Committee.

Further Information:

The ANZMaps website provides details of recent and upcoming events, Newsletter, Toolbox, instructions for submitting articles to *The Globe*, etc.

An invitation to join the

Australian & New Zealand Map Society

ANZMaps Objectives

ANZMapS is a group of map producers and users, which acts as a medium of communication for all those interested in maps. Membership of ANZMapS is available to anyone who has an interest in maps. We have the following aims:

- to promote public interest within Australia and New Zealand in historical and contemporary cartography and in map collections;
- to promote the development, maintenance and preservation, and effective exploitation of map collections throughout Australia and New Zealand;
- to improve the skills and status of persons working with map collections;
- and to promote communication between producers, users and curators of maps.

ANZMapS supports publication and scholarship through its journal, newsletter, website, conferences, prizes and other activities. It maintains close links with similar bodies in North America and Europe. Conference proceedings are published in the peer-reviewed journal of ANZMapS, The Globe.

Membership

Membership of ANZMapS is from the 1st of January of each year; those joining during the year will receive any previous publications for that year. Subscriptions fall due on the 1st of January, and must be paid by the 31st of March of that year, after which date unpaid membership will lapse.

Subscribers are entitled to receive the ANZMapS journal *The Globe* in print and the year's series of occasional Newsletters via email.

Fees are as follows:

AUD \$50.00 Individual
AUD \$50.00 Institutional
AUD \$30.00 Student

Membership is open to anyone interested in maps, and can be obtained by returning the tear-off form to the right of this column to the Business Manager.

Back issues of the ANZMapS journal, *The Globe*, and of the *New Zealand Map Society Journal* are available from the Business Manager. Please direct inquiries to: business-manager@anzmaps.org.
